

Negatives and their scope

Learner workbook

Make clear what is not true or not required.

Understand the distinction

In standard written English, combine not with any or use no: I do not have any cash / I have no cash. Other dialects use negative concord, such as not ... nothing; recognize it without treating its speakers as less capable.

Position changes scope. Not everyone came means some people did not come; nobody came means zero people came. Must not means prohibited, while do not have to means optional. Check what part of the meaning you are negating.

Compare the patterns

PART OF A GROUP

Not everyone agreed.

At least one person did not agree.

ZERO

Nobody agreed.

No person agreed.

OPTIONAL

You do not have to attend.

Attendance is not required.

Read each example and notice how its form changes the meaning. Use these distinctions to choose your answers on the following pages.
