Core Idea

When learning English, it's important to understand how to use emotion words correctly. Emotion words can often end in -ing or -ed, and these endings change the meaning of the word. Let's explore this concept in detail.

Quick reference

1. The "-ing" Form	This movie is exciting!
2. The "-ed" Form	I am excited by/about this movie!
Examples with More Emotion Words	Amazed / Amazing The magic show was amazing. (The show causes amazement.) I was amazed by the magic tricks. (I felt amazement because of the tricks.)

Key Points

1. The "-ing" Form

-ing adjectives describe the source of the emotion. This means that the -ing form is used to talk about something that causes a feeling. Here are some examples:

- This movie is exciting!
- The movie causes excitement.
- The book excitingly told the spy story.
- The way the book told the story was exciting.
- This manual is very confusing.
- The manual causes confusion.

2. The "-ed" Form

-ed adjectives describe the destination of the emotion. This means that the -ed form is used to talk about the person who experiences the feeling. Here are some examples:

- I am excited by/about this movie!
- The person feels excited because of the movie.
- I excitedly read the spy story in the book.
- The person reads the story with excitement.

- I am very confused by this manual.
- The person feels confused because of the manual.

Examples with More Emotion Words

Here are more examples with other emotion words:

- Amazed / Amazing The magic show was amazing. (The show causes amazement.) I was amazed by the magic tricks. (I felt amazement because of the tricks.)
- Interested / Interesting The lecture was interesting. (The lecture causes interest.) She is very interested in history. (She feels interest because of history.)
- Frustrated / Frustrating The puzzle was frustrating. (The puzzle causes frustration.) He was frustrated with the puzzle. (He felt frustration because of the puzzle.)
- Bored / Boring The movie was boring. (The movie causes boredom.) They were bored during the movie. (They felt boredom because of the movie.)
- Annoyed / Annoying The noise was annoying. (The noise causes annoyance.) She was annoyed by the noise. (She felt annoyance because of the noise.)
- Alarmed / Alarming The news was alarming. (The news causes alarm.) He was alarmed by the news. (He felt alarm because of the news.)
- Calmed / Calming The music was calming. (The music causes calmness.) She felt calmed by the music. (She felt calm because of the music.)
- Shocked / Shocking The revelation was shocking. (The revelation causes shock.) They were shocked by the revelation. (They felt shock because of the revelation.)
- Amused / Amusing The joke was amusing. (The joke causes amusement.) He was amused by the joke. (He felt amusement because of the joke.)
- Embarrassed / Embarrassing The mistake was embarrassing. (The mistake causes embarrassment.) She was embarrassed by her mistake. (She felt embarrassment because of the mistake.)
- Exhausted / Exhausting The hike was exhausting. (The hike causes exhaustion.) They were exhausted after the hike. (They felt exhaustion because of the hike.)
- Depressed / Depressing The news was depressing. (The news causes depression.) He felt depressed after hearing the news. (He felt depression because of the news.)
- Disturbed / Disturbing The scene was disturbing. (The scene causes disturbance.) She was disturbed by the scene. (She felt disturbed because of the scene.)
- Relaxed / Relaxing The vacation was relaxing. (The vacation causes relaxation.) They felt relaxed after the vacation. (They felt relaxation because of the vacation.)
- Worried / Worrying The situation is worrying. (The situation causes worry.) He is worried about the situation. (He feels worry because of the situation.)

- Confused / Confusing The instructions were confusing. (The instructions cause confusion.) I was confused by the instructions. (I felt confusion because of the instructions.)
- Insulted / Insulting His comment was insulting. (The comment causes insult.) She felt insulted by his comment. (She felt insult because of the comment.)

Summary

- -ing adjectives describe the source of an emotion.
- Example: This book is interesting.
- -ed adjectives describe the destination of an emotion (the person who feels it).
- Example: I am interested in this book.

Using these rules will help you communicate more clearly and understand the emotions being described in English conversations and texts.
